- **ADD** comments for transparency for the whole team

What you will get...

Rate Calculator

The screenshot shows a web-based 'Rate Calculator' interface. It features a blue header with the title 'Rate Calculator'. Below the header, there is a sub-header 'Rate Calculator' in a light blue box. The main area contains several input fields and a dropdown menu:

- Current Rate: \$
- Increment: %
- New Rate: \$
- Direct Hours: [empty]
- Indirects Hours: [empty]
- Units: [empty]
- Fringe: %
- Rate LookUp: 1:1 Rate (dropdown menu)
- 1:1 Rate: \$ 0
- Agency Program Max: \$
- SH Reimbursement Rate: \$

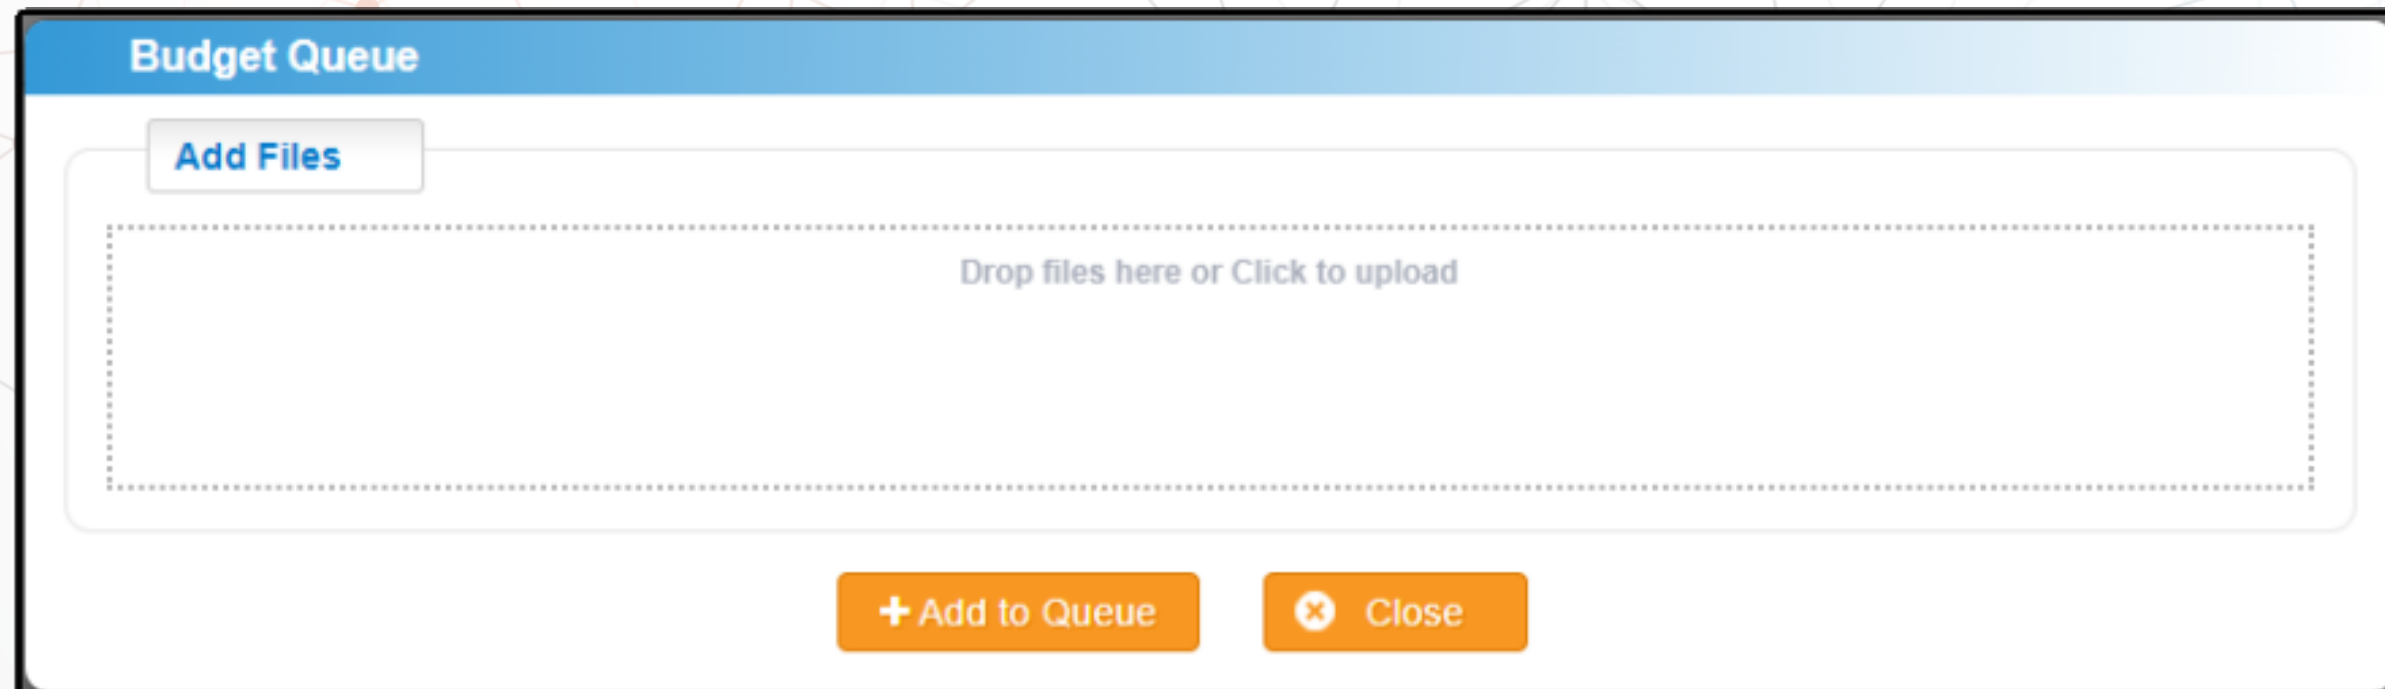

At the bottom right of the form is an orange button with a white circular icon and the text 'Close'.

- **Based on a 40-hour work week, as well as the selected program and regional rate caps.**
- **Provides transparency into how the COLA increase for Self-Hired Staff can affect the overall budget.**
- **Assists users in understanding how direct and indirect time can impact rates and reimbursements.**
- **Enables the user to make informed decisions and optimize your budget management.**
